TRM 731

Experience™ Series

Treadmill

Product Highlights

The TRM 731 combines essential reliability and ease-of-use with an intuitive console at a value just right for you. This treadmill is designed to optimize performance and maintenance while providing a comfortable and effective workout for your exercisers. The simple, clean design holds up under heavy commercial use, ensuring your investment will last into the future.

Storm Grey

Refined colorways with dark Tungsten covers and two frame color options, Storm Grey and Black Pearl.

Black Pearl

Product Features

1. P31 Console
Finally, an LED console that works harder for you, your servicers, and your exercisers. Get integrated asset management to supercharge your service techs with extra information, right at their fingertips. Exercisers will enjoy the well-placed channel or volume change controls. The black color on the P31 looks great across the full range of Precor cardio equipment.

2. Motor Drive System
The motor drive system improves performance, efficiency, and reliability through improved internal cooling, a wider operating range, and unique input current averaging to identify more precisely when a running belt requires replacement.

3. Integrated Footplant Technology™
Recognizes exercisers' natural foot speed and matches every stride for an ultra-smooth feel that enhances their workout experience.

4. Ground Effects® Impact Control System
Our patented system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where exercisers' feet hit the belt and added rigidity at the back for a firm push-off.

5. Active Status Light
To increase uptime, an external status light lets you and your staff know at a glance the operating condition of your treadmill and when to perform life-extending maintenance.
